Assessment Requirements

This is an open book examination and you are permitted to read back through the book and get the answers if needed. You are not required to answer these questions from your memory because it is my desire to train people who will research their answers and know why they believe things.

Assessment for this study covers two areas. One is the multiple choice questions and the second part is a written section. Both parts need to be completed for full assessment.

The multiple choice questions and the written section must be returned to us for recording all results.

1. Please answer all multiple choice questions on your assessment answer sheet.

- Please mark your assessment answer sheet square with an **X**.
- Select; A, B, C, D or E
- A for True
or
B for False.

Please mark your answer square with an "X".
