Crusade

2010

January, February and March 2010

Last year I said, "So much happened!" well this year even more happened. People were saved, healed, walking free from wheelchairs and others throwing away their walking sticks, legs growing and hips coming into line realising pressure on peoples back. Words of knowledge for healings without the people informing us first but confirming after we prayed that was what they needed.

I know when I received these reports from my dear brothers and sisters I was amazed myself to think of the things that happened. To Jesus be all the glory.

We sold over 400 books and I was so pleased to find out that some of my autobiography had got into prisons in Victorian, NSW and in New Zealand. Let us pray that this will help people to get connected to God.

This newsletter is full of photos and Testimonies. Please take the time to read the whole Newsletter with all the articles inclusive and more by clicking on this link. Pastor Nigel, Christine McGimpsey and myself, Thank you for your support and we look forward to seeing you all again next year.

Report from Ps. Peter Lethbridge
Hi Ian,

I just want to let you know God is moving in our Church. Yesterday was our healing service. Betty gave her testimony of how God had healed her of lung tumours. Following this, I think thirteen people came forward for prayer. This time, Sarah suggested any who felt led by the Spirit to come, pray, and support those who came seeking a healing touch from God. I prayed for Ray, who is in his 90's, and his wife who is 90 next month was standing behind him. She was not standing for long, because she was on the floor resting in the Spirit! Some people thought we should call an ambulance, but I just knew this was God, and nothing sinister. Later on, Nita hit the deck. All up, we had another two-hour service and God was at work. I purposefully shortened my sermon knowing that there were a couple of testimonies, and God had other ideas. I praise God for what He is doing, and since a couple of divisive people left, we have seven new people. God is so good!

Brother in the Lord who love our Jesus.

Report from David and Carla Evans / Drysdale via Geelong Victoria

Ian visited our church on the 10th January. This is the 3rd visit that we have had the privilege of have Ian as our guest speaker.

The words of encouragement and vision that he gives is very uplifting to the people in attendance and the Word of Knowledge certainly is received well also.
We look forward to him returning to talk to us again when he is next in Australia.

People from other cultures were also given encouragement from Ian as they stopped to talk to us.

Januaray 19th Tuesday flew to Parks NSW departed Sydney 4.20 Arrived at Parks 5.50

Inside Mamre fellowship Chapel

I was invited by Matthew Knighton, the youth leader to take part in a Summers Youth Conference in Central NSW at Parks at the Mamre fellowship under the leadership of Ps. Geoff Evens, and founder Bishop Harry Westcott and Vision Ministries

Wednesday we met with Harry and Doreen Westcott and had morning tea and as we were talking, he spoke about a man who had a profound impact on his life and ministry and he asked me if I knew Tony Smits of the CRC. I so was blessed to be able to say to him that he is my teacher. Harry went on to say how Tony was

instrumental in his ministry. He spoke of him in glowing terms.

Saturday 23rd Saturday morning we held two sessions in the first session I shared with the youth my testimony and in the second session I shared from my book 'Who am I?' which is a New Creation message. I have never been received with such great warmth and love than what I received from Harry Westcott. He said after listening to me preach about the New Creation it was like listening to Tony Smits again.

Sunday 24th we travelled to Peak Hill under the leadership of Ps. Geoff Steventon and we had a wonderful rewarding meeting where it seemed that everyone responded to the word preached with many coming for prayer. After the meeting it was great to catch up and talk with so many people around a cup of tea.

Sunday 24th We held a healing meeting back at Mamre fellowship which again was well received.

We were greatly blessed to have Pastor Ian Traill come to minister to us in the New Life Fellowship. We did not have the time to notify other churches in the area, as the Ministers' Fraternal meets only once a month.

Monday 1st Departed from Brisbane 10.40 Arrived at Avalon near Geelong Victoria

Monday 1st of February 2010

I had been invited again this year by my friend and co-worker in the harvest field, Charles Rockefeller – President of the Geelong Full Gospel Business Men's Fellowship International to share my testimony at a function for men and women. My nephew Joshua was given the honour to introduce me at the function. I shared for about 45 minutes and found that all was well received. We saw three men come forward and receive Christ and we prayed for many others for healing. I would say it was a dynamic meeting with lots happening.

Tuesday 2nd of February 2010

Through my old school days friend John Michaelides, I received an invitation from Nick Holod, Williamstown Gospel Mission, and Men's Christian Support Group, to conduct two meetings. The first one was a men's night meeting in Williamstown, Melbourne. It was well attended by more than 35 men who were hungry for the

reality of God as could be seen in their faces.

Sunday 7th I returned to Nick Holod's church, the Williamstown Gospel Mission, and it also was well attended and the response was very good. I travelled to Bendigo that afternoon.

Sunday 7th in the evening I was invited by Pastor, Graeme Godenzi, Abundant Life Christian Fellowship, 113-123 Mackenzie Street West, (PO Box 409), Golden Square Bendigo.

This invitation came about my teacher Tony Smits who had informed Graeme of my availability to preach. It was a special meeting in many ways, but for me personally, I met up with a dear friend from my Powerlifting days, Jeanette Wust. Jeanette had been the national Champion and held records in three weight divisions; she had also represented Australia in the World Championship. She was so delighted to see me and it was also a delight to me. She told me about her years of prayer for me and my son, so she was happy to see me preaching.

Three people who had trouble walking got up and made some improvement and others received emotional healing and a release from unhealthy thought patterns. After this meeting I receive another invitation to come back.

Monday 8th Book Signing at the Word Shop in Geelong

God opened a door of opportunity for Ps, Carla Evans and I to have a book signing day at the WORD Bookshop in Geelong on the 8th of February 2010.

New Zealand Leg of the Trip

Tuesday the 9th flew to NZ, departed Melbourne 3.00 to Brisbane arrived 4.10 and then departed Brisbane 6.00 to Wellington arriving at 12.10 on the Wednesday the 10th of March 2010

After our greeting Ps Nigel said that the first part of this Crusade would be a bit quiet, but this could not be further from the truth.

10th Wednesday night I attended two meeting the first was a youth meeting where we played some cricket where Ps Mark and I hogged the bat with great passion. After this I shared with the young people about a life with Christ verses a life without Him.

The second meeting was a home fellowship led by Ps. Nigel and Christine McGimpsey.

11th Thursday night Youth New Zealand.

12th Friday Night. Ps. Mark Tobias had organized a joint home group meeting to be conducted Wellington CRC church. This event was well attended and it appeared that more people came to this meeting than normally attended their groups.

Sunday 14th Morning. We were invited by Ps Quentin Morgan of Tawa New Life Church to preach. Ps Quentin was one of the people who was instrumental in Nigel's salvation. The meeting was well attended and the response to the altar call was good. We had a great time catching up with Quentin and his people.

Sunday 14th Night Wellington CRC church New Zealand with Ps. Mark Tobias was a refreshing meeting as mark had organized two young men to interview me with member of the church asking questions. This allowed more details I may have missed to come out. It was followed with a prayer time where we saw about 6 or 7 people baptised in the Spirit.

Monday Night Young peoples Under 20 with Caleb and Gabriel McGimpsey at their home.

Tuesday Night 15th February

Wednesday Night 16th February

Thursday 17th February

Friday Night we were invited by Hannah and Andrew of the Chinese Baptist Church to share about what was taking place in China. Many of the people were encouraged by the news we shared with them.

After sharing we saw a few people accept Christ and we prayed for healing. A man who was deaf was restored by the Lord and then he accepted Jesus into his life. One young girl came forward and we prayed for her kidneys to be healed and she went down on the floor. After she came over and said she did not tell us what was wrong and I said I know but the Lord wants your kidneys healed. She then told us she was waiting for a kidney transplant. Other people who came forward had their leg lengthen and walked without pain.

We were invited to come back to the Chinese Church on Monday the 1st of March to conduct a healing meeting. Jesus is the healer.

Wairoa CRC

Sunday 21st Morning we shared at Pastors Paul and Vanessa King Wairoa CRC New Zealand

Wairoa

Sunday 21st Afternoon we shared at Pastors Paul and Vanessa King Wariroa CRC New Zealand. The man standing beside me in the black shirt on my right and the man in the red shirt on my left came walking out with walking sticks and left walking unaided. Below you can see the evidence.

Another man came forward with a limp and as we were praying his leg jumped back into place. He asked me did I see that, and he got up and walked without the limp and went off to tell others.

February 23rd 2010, Sojourn Christian Fellowship, Gisborne, New Zealand. Visiting speaker Pastor Ian Traill – Trailblazer Ministries China.

With being involved in a small, family based, local church, it was a privilege to get an opportunity to have such a well travelled and experienced Pastor, like yourself come to share with us. The meeting I found to be enlightening, encouraging and challenging.

Enlightening as the high level of Spirit led activity during the meeting is very seldom

seen in western church gatherings, which we as a small group have been endeavouring to change. Having witness such a high number of correct and relevant “word’s of knowledge” and healing prayer with our own eyes in action was very encouraging.

Pastor Ray and Raewyn Iremonger

Gisborne, New Zealand

Also the content of your message was very encouraging personally to me as a number of points made, were what the Lord (I believed) had been revealing to me for a few months prior to the meeting and believe that the Spirit was confirming those revelations to me, through you.

Your message was a challenge to keep preaching the truth of the gospel no matter what, because even though it looks like the majority of “churches” seem to have put their Bibles away and gone away from preaching about Jesus Christ and His redeeming blood, and have gone to preaching a watered down pc message, that God still has bible believing, truth preaching brothers and sisters in Christ through-out the world that are not willing to compromise when it comes to preaching the gospel which is that Jesus Christ came to this earth as the perfect sacrifice, that He gave His life and took upon Himself the sin of the world and that He rose again giving all those that except Him, the ability to be forgiven and connected to our heavenly Father through Him and to live in victory because He was victorious.

I pray that God continues to bless you, your family and ministry, and that He will continue to provide you with the tools and resources to keep sharing the gospel of Jesus Christ in your corner of the world and beyond.

God bless
Your brother in Christ

Camp Qodesh (Set apart for God) – Opoutama.

Tuesday Nigel drove all day to get us to the next venue and without him we could not have had such an impact.

Wednesday, Thursday and Friday we conducted three meetings at the Waipu Presbyterian Church where Ps Nigel grew up.

The meetings were well attended and Rev. Peter Dunn so happy with the meetings he has invited us back again next year to do 19 Presbyterian Churches in the far north of the north island of New Zealand.

Breakfast at Colin and Rosemary's farm

After Breakfast we drove to Waiuku and stayed with David and Joan Fryer-Raisher and later that night we met up with Pastor Kelvin.

Pastor Kelvin and Sandra Matthews

Sunday 28th Morning, we shared an inspirational message at Waiuku CRC and the response was amazing with words of knowledge and praying for some infirmities, that we were asked to stay and do another meeting in the evening. Pastor Kelvin was very happy as there were many new people visiting for the first time and many said they would come back.

In the evening meeting a man took out his hearing aids and listened to the whole sermon and said he could hear. In between the two meetings we stayed at David and Joan Fryer-Raisher place for the afternoon. David's mother was walk with a limp and we prayed for her and her back and legs straightened and the pain went. I asked her to share in the evening and she did so but she was keeping a secret. When she got up she

told everyone about her legs and back and then said that her hearing had improved too.

Dear Ian

Esther has been the 1st one to send me some feed back.

5 of the books about your story have been distributed to Reiby Juvenile Justice Centre - may they be a blessing to these young redeemable delinquents.

It has been a pleasure to see you again and I pray for the day we can see you in China and meet the church there.

God bless you and your family and your ministries.

We pray for the valley - the Valley of Hope (that's how I see it)

Your bro in arms

Guy

Report from Esther Brian

Ps Ian Traill's visit has been a blessing to both me and my husband.

We stood for prayer and God definitely spoke through Ps Ian, he mentioned my husband's blessing of a job before I even mentioned a need for a job and he reassured me of everything I had questions about which only God could have ever known.

Ian Traill also used my niece Irene to witness the miracle of a healing and my niece was amazed and bedazzled to know that God is faithful and answers his servants request. It was awesome he done that cause it helped my niece confirm that Jesus is miraculous and worth it.

It wasn't just what God done through Ian Traill that has been a blessing but Ian Traill's willingness to serve God and to encourage us was just as much a blessing and looking forward to hearing more encouragements next time he is in Australia

May God Bless & Provide for the China Ministry

Ministers fraternal Geelong

Report from Ps. Peter Lethbridge Pastor of the Bellarine Peninsula Church of Christ

Ian, thank you for sharing with the pastors on Thursday. We were all blessed, and greatly encouraged. I cannot wait for you to come and share with us in our Church again. God bless you as you continue to serve our Mighty God.

Report from Pastor David and Carla Evans / Drysdale via Geelong Victoria

Just before his return to China, Ian spoke at the Bellarine Peninsula Pastor's Fraternal and was very well received there also.

Report from Carla Evans

Friday the 12th March 2010

Book signing day in Geelong in a Bookshop.

I also had the occasion to sit with him at a 'Book Signing' day held at the Word Bookshop in Geelong. Ian never let an opportunity pass where he could aid someone in their walk with Jesus. One young man in particular went away a little wiser than when he came: he was trying to promote a day of Witchcraft teaching and brought in some brochures for this event. Ian soon had him 'rattled' in the spirit and he went on his way with his tail between his legs.

Saturday and Sunday 13th and 14th of March 2010

Pastor, Graeme Godenzi, Abundant Life Christian Fellowship.

I was invited back to Abundant Life Christian Fellowship, Golden Square, Bendigo by Pastor, Graeme Godenzi, to conduct three meetings. The first was a Men's Dinner meeting where I shared my Testimony and it commenced at 6:30pm Saturday night. The Sunday services at 10:00am on the 14th I shared a word about courting God. In the evening we continued with the theme of courting His presence and we held a healing meeting.

The last week

The Crusade finished in the most unusual way with me getting a spider bit on my toe which caused me to end up in Hospital and missing my last two engagements, and I am sorry for that. But I will catch up on the next trip.

It may sound funny but it was a rewarding time to spend a few days with some other men Ray and Stan, who were hospitalized because of breathing problems. We formed a great friendship. I was so blessed to pray for them and both of said they had not slept through the night like that in a long time. I was able to pray for Stan's wife whose leg grew and took pressure of her back. A nurse who had a bad cough was going to wedding and she made a comment to Ray and he told her to get me to pray

for her. Her coughing stopped and she went off happy. I would love a bloke like Ray to help me on the road as his testimony is powerful.

What the enemy had thought would stop me only gave me another chance to reach people who would not have had the chance to come to our meetings. God turns all things into good for those who love Him

God moved with people getting out of wheelchairs, people throwing their walking stick away. One deaf men could hear again, a partial blind man could see better again.

To God be the glory for the great things He has done.

Thank you to all for the gifts and support throughout this Crusade. I would like to thank Ps. Nigel and Christine McGimpsey who drove 2000 Km in NZ and organized 19 meeting in 22 days, feeding me and looking after me so well.

We have been invited back next year to the North Island of NZ to do 40 meeting. Praise God for this opportunity.
