

December 2013

Hello to all and we pray that you have had a great Christmas and New Year.

I have listed my itinerary to Australia for March through to June below. I am looking forward to catching up with you all and I believe the studies I will be doing on Church Evangelism will bring some revelation to many.

December started with me travelling to JinZhou to do another small conference with the international Fellowship there.

I left Changsha with the temperature at 10° and when I got to Jin Zhou it was -6°. A bit of a shock!

Tapes on the subject, "Why Evangelise? What is your Motivation?" can be seen at these links below.

The Sunday message was on Holiness and Righteousness <http://youtu.be/qXI3zbTBvZU> and then followed by Repentance <http://youtu.be/q9fwnlFDUE8>.

Then back home for our Christmas program. In our little English Training group of about 35 children we had our Christmas celebrations and graduations.

We run classes from Friday night and all day Saturday and then we have our Sunday school running too. In the winter break we will be running a school for 10 days straight.

From Rocky and Feifei

We had a great morning with these kids. After sharing the story about the birth of Jesus, We asked them: Who wants to accept Jesus as your friend, your Saviour? And you can be sons and daughters of God! Every little hand rose up. We prayed together! God is faithful! He knows our desire and heard our prayer!

Thank you God! We praise you!"

Weina, Daniel, Rocky and Feifei are doing a great job with these kids.

Would any Christian from Australia or New Zealand, England, or the USA like to come to China in July and or August to do some teaching of English for these children? We are looking for some voluntaries.

Uganda, southern Sudan, and eastern Congo

Dear Dr Traill.

I am glad to testify for the things the lord has done for me as you are praying for me. The lord has provided for me a motor bike for transport at this beginning to help me in travelling in the nearby areas and we are planning to open ten campus next year.

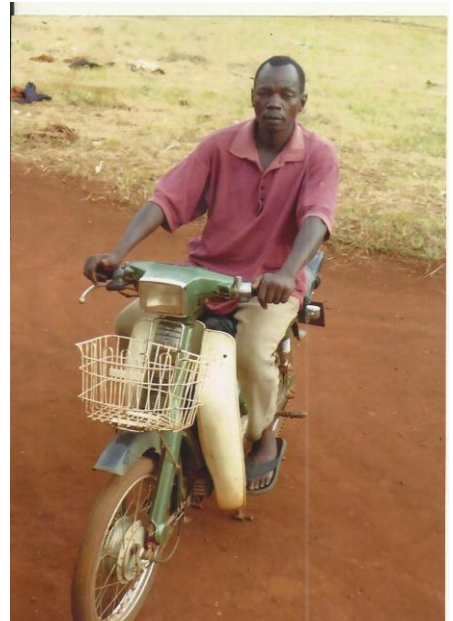

So it will be a year of full time ministry for me, these campuses

will cover other parts of Uganda, southern Sudan, and eastern Congo.

I know by God's grace we shall manage.

We are also praying for you so that God will make it possible for you to visit as in Uganda by his grace in the given time.

The attached photos are me and my wife of my motor bike and the trailblazer Bible College students. God bless you.

Busoga Region- Uganda

Dear Dr.Ian,

My brother pray for us. We are praying for God's provision of funds to buy 10 piglets of the exotic breed. These will enable us to make the project to be more sustainable. The ones we are rearing are locals and are not working out for us well yet we want the piggery project to be sustaining and the income out of it is targeted to support other programs of the Organization. Please pray for us to get \$1000 for the purchase of the Cambrough pigs.

Dear Dr.Ian,

Greetings to you in the mighty name of our God. I'm delighted to inform you that I posted the photo of the pig for the type of the Ten(10) exotic breed piglets I want to purchase for breeding in the piggery project of which this is to benefit the church leaders, Widows, Youth

and People with disabilities. It is already on my facebook page and I'm requesting you to share it.

I would like to inform you that, I have heard great stories about the positive impact of the Trailblazer ministry in Kenya, Tanzania, Ghana and some parts of Africa. The word of God have been preached and many lives of God's people have been changed as people have been trained in Animal husbandry, Leadership etc.

I would like to take this opportunity to inform you that I have a calling to serve with you by introducing and adopting the Trailblazer ministry in our Church here in Busoga Region- Uganda.

I will be very grateful for all your efforts in supporting us here and we are praying for all your good arrangements to come to Uganda and when you come here, we are requesting you in advance to come and witness the God's work we are doing in the Church and the Youth CBO.

In Christ who makes us to work together for His Glory.
Yours affectionate brother in Christ.
