

Dear Brother and Sisters

It is with great excitement that we write to you again. Church here in Changsha China continues to be great with about 2 to 3 people saved every week over the past month. This past week Kevin, Lillian, Rocky and Feifei have been away on a missionary journey to the countryside in an effort to establish some home church groups with six being saved.

A further outreach was when I went to Dali and Kunming in Yunnan province near the border of Vietnam. It was high in the mountains which caused me to be a little short of breath. I met with leaders of a larger church and a Bible College to discuss possibility of us coming later in the year to do some teaching. Now we have to wait for the invitation. Dali was the place of the first Bible bookshop in China.

When I returned from Dali; Rocky also returned from Australia, where she had spent three months studying platform ministry at Ballarat Christian fellowship under the leadership of ps. Phil and Leanne Tong.

Upon her arrival we had a dinner and the excitement continued with Kevin asking Lilian to become his wife.

We have another two students from Shanghai join our fulltime Bible College course here in Changsha. Others are welcome to come and join if they apply to me at this email. Also we have had campuses joining via the net from South Africa, USA, NZ and Zimbabwe.

Later in the year in August and in October we will have two truly great men of God come and spend some time teaching our students. The First will be Ps. Barry Silverback and a month or two later will be Dr. James McClure.

If you are planning to be a good leaders and you would like to attend please let us know. I am sorry to say we cannot fund your fares or accommodation, but this will be a great watershed of teaching; don't miss out. We will be travelling to other areas too.

We have students graduating in many African countries over the next few months. We also had a prisoner in Australia, where I have visited for the past three years graduate.

We were blessed to be able to get some Bibles, but please pray that we can get more, we need your support. Thank you to all who support our mission, and may God bless your life too.

Please find attached some photos and letters I received from some of our campuses.

Praise the Lord Jesus

Greeting to you in the mighty name of our Lord Jesus Christ. I want to thank God for the finished second semester which has been so powerful that shaken the thrown of the devil.

Although some trials came across, we do still stand firm and press on without fear up to our victory in Christ Jesus.

I also so want to thank you for offering for me transport back to Jinja. God bless you abundantly.

I am also encouraging you that never give up, The Lord who sent you to Uganda in Kaberamaido will never forsake you. He is with you. Joshua 1:1-18 until to finish what he has sent you to do in Kaberamaido. What happened was just to make us wise.

1. Not giving God's children's bread to dogs or pigs. I understood that lady wanted to get Job thru you

2. God is using you to bless us spiritually and physically but you had to learn everybody first

3. To awaken us we the students to stand firm in working and defending God's plan to be fulfilled. Nehemiah 4:1-23

4. We student had agreed to construct a house for you to sleep within the school not outside.

5. We have set a prayer guard program for you in the field of ministry. So do not be discouraged; the Lord is with you.

Thank you.

## South Africa / Zimbabwe

- Looking at the lessons that Dr. Ian provided, I am getting excited. People are passionate to start. Just fixing some little things that need to get the school going which will be running in South Africa and Zimbabwe.

We praise God for connecting with many to share our task.

Please keep us in your prayers as we are still to face the challenge of Bibles. If anyone knows where and how to get bibles please forward the contacts so we can ask them to help

Keep us in your prayers

Best Regards
